| Regular Service | Interim Service is a \$50.00 deposit + connect fee |

I hereby request connection and billing of utility service as noted in this application.

I have provided a deposit in the amount noted on this application, which may be used to cover any outstanding balance on my account upon termination.

I agree to pay all charges for service related to this account and billing.

I understand a \$25.00 returned item fee will be added to my account for any check, draft, or credit card transaction refused by my financial institution.

**\*\*\*PLEASE NOTE\*\*\*** Interim Service is for the purpose of cleaning, repairs, inspections, etc. and service will be no longer than 14 days, unless other arrangements have been made. No tenant or other consistent use under an interim service is allowed and such is grounds for disconnection and forfeiture of deposit. An interim deposit of \$50.00 is NOT for long term use. Owner accepts responsibility for ALL charges on interim service.

I hereby certify that the above information is true and correct.
